CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

INTRODUCTION

Welcome to Melbourn Dynamos Football Club and to your Coaching Handbook.

This is a working document and as such will evolve over time. For the purpose of this document the term coach refers to any manager, coach or helper involved with the team.

The aim of the document is to provide you with useful information to assist in your role as one of our club coaches or managers.

Please take time to read it, as it is an important document and should aid you in your journey to creating a happy and positive experience both for yourself and your players.

The committee would like to take this opportunity to thank you for supporting the club but mostly for enriching the experiences of local young people within the community by making it possible for grassroots football to run.

Any suggestions or additions to this handbook that you feel would provide support and be beneficial would be gratefully received. Please contact Emma on secretary@melbourndynamosfc.com.

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

CLUB PHILOSOPHY

Melbourn Dynamos Football Club is an inclusive community hub club supporting 'Football For All' and strongly believes in its 'here for all' ethos. The club encourages everybody, regardless of characteristic, to become involved in football either on or off the pitch. Since 2003 the club has developed into a significant community centric organisation and is proud to have been named as Cambs FA Club of the year in 2021 and has proudly received the pledge project certificate of recognition for its support of disability football.

We encourage every team Manager to adopt a 'Football For All' approach, which will give everybody the opportunity to be involved in football if they so wish.

The club does respect that this does need to be a two-way agreement and that members should also respect Club Officials, Managers, Coaches, Match Officials, other club members and the club. To gain the right to be part of MDFC, members should always act in a responsible manner following the clubs code of conduct and make a concerted effort to participate in club activities & events.

MDFC is a democratic club and we encourage ideas and input from all club members and would encourage any relevant member to join the clubs committee should there be a vacancy or role that is required.

PLAYING ETHOS

We aspire to offer the very best footballing opportunities for each individual and its paramount to us that we can provide a safe, friendly environment to allow children to develop in a variety of different ways whilst having the up most **FUN**. Our F.A qualified coaches are committed to delivering a high level of coaching for all learning styles to ensure the player can not only develop their football but also their person via the F.A four corner approach. We have no space for negativity at the club and we believe that we only ever have positive outcomes, whatever the score, whatever the league position.

The club advocates the RESPECT campaign and with regard to equality and inclusion it is an absolute commitment of the club that no child is ever excluded from playing football for reasons of gender, race, nationality, ethnic origin, colour, religion, sexual orientation or perceived ability as a footballer. We strongly believe that football is a game to be played and enjoyed by everyone and will always endeavour to find footballing opportunities for each individual.

In summary:

SAFE, POSITIVE, FUN FOOTBALL for ALL!

Respect

Melbourn Dynamos Football Club

Founded 2003

Coaching Handbook – 2024/25 Season

POLICIES

MDFC has adopted the following FA policies and declarations that can be found on the FA and club website, JoinIn (LoveAdmin) and socials under policies (should you require a copy of these please contact the club secretary). In addition to the following there are 11 declarations that those registering with the club accept as part of the registration process via Joinin (loveadmin). Please see player registration section on page 9:

FA Safeguarding children policy (youth teams)

FA Safeguarding children policy (adult teams with U18 players)

FA Equality Policy

FA Respect Code of conduct

FA Football Leadership diversity code

FA Club rules/constitution

FA Safeguarding declaration for youth football

FA safeguarding declaration for open age football

The Grassroots Code

FA Rules and Constitution

ALL MDFC personnel shall adhere to the above, together with the following procedures:

1. All personnel (where applicable) involved with MDFC who come into contact with young people under the age of 18 years shall complete a DBS through the clubs Child Welfare Officer (safeguarding@melbourndynamosfc.com).
2. All players under the age of 18 years shall receive and return a completed MDFC Player Registration Form via the JoinIn system to the club. Until a properly completed form is returned to the club and duly recorded, the individual will not be allowed to participate in any of the club activities, outside of the allowed 3 taster training sessions.
3. All players **MUST** be members of MDFC and must have been registered by the relevant officials **BEFORE** they are allowed to play for any MDFC team. Players may have up to 3 'taster' sessions before they register as a player but cannot play in matches until they have registered fully. Managers must ensure they have the required details of the player and their contact and medical information for any taster sessions. Taster sessions must **NOT** be used to assess a player's ability but used as a taster opportunity in the interest of the prospective member and not the club/team.

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

4. Should any person associated with the club become aware of any instances (actual or potential) of child abuse, the person should immediately report in the first instance to:

Club Welfare Officer: Emma Tidby on 07855 136339 OR if unable to contact

By contacting The FA Child Protection Helpline on 0808 800 5000 (Users with hearing difficulties may text phone 0800 056 0566).

Any person in breach of these procedures will be warned of their behaviour with the possibility of taking no further part in any MDFC activities.

COACHING PHILOSOPHY

All of our coaches should aim to make the game safe, fair and enjoyable whilst providing age-appropriate coaching to develop the whole player. Coaches should aspire to create a positive culture in each team and seek support where necessary to tackle any emerging issues.

Throughout our club from Dynamites to Adult football we aim to:

- Improve the player's movement skills: agility, balance, coordination and speed.
- Develop the player's technical skills.
- Increase the player's decision-making capabilities.
- Teach the player life skills (co-operation, teamwork, communication and friendship).
- Coaches Qualifications and Training Links

As a minimum, **all coaches at our club MUST meet** the following requirements and have completed the following training courses;

- Be registered with the FA and have a valid FAN number.
- Be over the age of 18 (except in the case of managers helpers).
- Hold a current and in date FA approved Enhanced DBS. DBS' can take a considerable amount of time to fully complete in some cases, so it is recommended the process is started at least 8 weeks prior to the need for compliance. This can be done by contacting the child welfare officer at childwelfareofficer.mdfc@gmail.com.
- [The FA Safeguarding Children Course](#) - this is an online course that can be completed at your own pace and is expected to take 2 hours. The course incurs a cost (unless you are renewing, then its FREE and the [free renewal can be found here](#)) which can be claimed back by completing the club's online expense form [here](#).

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

- [EE Playmaker by England Football](#) - this is to be completed where a manager does not hold the Introduction to coaching football course, as listed below but another member of the coaching team does. This course DOES NOT replace the ITCF. This is an online free course.

Additionally, **all coaching teams at our club will need to hold between them the following training courses at all training sessions and match days:**

- [The FA Introduction to Coaching Football](#) (replaced the FA level 1 coaching football) - this is a course, that spans over 4 weeks blending live weekly webinars with e-learning modules and ending with a short online assessment. The course can be completed over a maximum of a 12 month period but please be aware your team is not compliant without one manager holding this qualification. The course incurs a cost which can be claimed by completing the online form [here](#).
- [The FA Introduction to First Aid in Football](#) - this is an online course that can be completed at your own pace and is expected to take 90-120 minutes. The course incurs a cost which can be claimed back by completing the club's online expense form [here](#).
- ALL coaches are expected to renew their qualifications within the **free** renewal window so that training fee's do not heavily impact the clubs expenditure. Where possible the club's CWO will endeavor to remind coaches when qualifications are expiring but this ultimate responsibility lies with each individual coach. You can view your courses and their expiry dates in your FA Learner dashboard.

Disclosure and Barring Service (DBS) *(No exceptions to this rule are acceptable)*

ALL INDIVIDUALS that come into contact with children on club business are required to have a cleared DBS **before becoming involved in club activities**. DBS can be arranged through the club welfare officer- safeguarding@melbourndynamosfc.com

Alongside our minimum requirements we encourage our coaches to become familiar with the FA Grassroots website where support, information and all above training courses can be found:

www.thefa.com/competitions/grassroots

COACHES RESPONSIBILITIES

- All of our Coaches are required to strictly follow the Respect Code of Conduct.
- Coaches are expected to support the FA respect initiative and support league initiatives such as silent weekends should the club choose to adopt these.
- Players must be free to play during matches, with positive encouragement from parents and coaches.
- Coaches are expected to ensure that players interact positively with each other and officials through creating a positive team culture and ensuring poor behaviours are tackled with the player and parents in a fair and reasonable way, seeking support from the club should this be necessary.
- Attendance to managers meetings for the chosen league and MDFC is mandatory for every team, therefore every team must send a representative from the coaching team.
- Coaches are expected to support club ethos and attend presentation day using the agreed 4 areas for recognition: clubman, players player, managers player and player of the year
- Coaches are expected to work with the clubs CWO and ensure team compliance. Coaches are

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

- responsible for ensuring the club are notified of anyone working with the players regularly and that they carry the appropriate qualifications; ensuring that the coaching team meets the minimum requirements and players are adequately safeguarded.
- Where possible ensure team viability for the upcoming seasons and work with the club's football development officer to support this. **Alert the club at the earliest opportunity should viability become an issue.**
 - To ensure that all required league deadlines are met in relation to matches, such as confirmation of games and ensuring results are updated to full time and referees are scored.
 - To communicate necessary comms to parents through their team WhatsApp.
 - To join the WhatsApp group for managers and coaches, to ensure they receive essential league and club comms throughout the season.
 - To ensure their contact details are kept up to date on their FAN so that the FA and the club have the correct means of contact.
 - All coaches are expected to undertake a positive approach to mentoring, motivating, facilitating and teaching the players of their respective teams. Our coaches are aware that they are in a position to act as positive role models for the club and positivity is the key to our success and we pride ourselves on positive forms of communication and leadership.

PLAYER REGISTRATIONS

Every football club requires income to support it with on and off field activities and MDFC are no different. Therefore, each member is required to pay an annual registration fee to the club.

Each team coach is responsible for the effective distribution of registration documentation / information as provided by the club, and within club-set deadlines. Any registration queries should be put to registration@melbourndynamosfc.com.

Player Registration charges can vary year to year depending on costs incurred and are heavily supported by the MDFC fund team. Please consider becoming a volunteer and supporting the fund team by emailing fundraising@melbourndynamosfc.com. This team is crucial to keeping costs competitive.

By registering with MDFC the player and their parents/carers are agreeing to adhering to all of the club's adopted policies and procedures, as well as the required agreements on JoinIn (Loveadmin) as follows:

- MDFC Terms and Conditions
- First Aid
- Code of Conducts- Young Players and Parents & Carers
- Photography
- Safeguarding Policy- Youth and Open Age
- Safeguarding Declaration- Youth
- Safeguarding Statement- Open Age
- Return of Equipment
- Social Media Policy

MDFC reserves the right to amend these policies at any time, should you require a copy of these please contact secretary@melbourndynamosfc.com.

FACILITIES

All facilities are to be respected and treated as if they were your own.

Match day equipment is a large expense for our club and as such it needs to be looked after and packed away correctly.

Detailed below is where equipment can be found and how it needs to be packed away to ensure it remains usable for years to come. Please remember it is each team's responsibility to ensure that all equipment is secured and put away as per the details below:

5 V 5 PITCHES (BEHIND LITTLE HANDS NURSERY)

The 5 v 5 goals and all back bars, corner flags, respect lines etc are stored to the side of Little Hands Nursery, accessible via Melbourn Rec.

As you stand in Little Hands car park, facing the nursery doors, the store is located on the left of the building. The keys to access this store are kept in a key safe to the right-hand side of the door to the store. The fold-out goals need to be erected by using 1 back bar per goal and the back bar secured using the retaining clips.

The goals then need to be anchored to the floor with the large 'U' shaped stakes also found in the store. Corner flags and respect lines are stored in the same place.

At the end of the match, the goals and all other equipment need to be packed away back in the store. Please ensure all back bar clips are put back on the back bars. Once all equipment is away, the store must be locked and the keys locked backed inside the key safe.

7 V 7 & 9 V 9 PITCHES (7 V 7 IN THE SCHOOL GROUND AND 9 V 9 ON THE BACK FIELD BEHIND THE ASTRO)

Both the 7 v 7 and 9 v 9 goals are stored inside the school grounds, locked to the back fence. All back bars, corner flags, respect lines etc are stored inside the orange container located next to the netball courts in the car park. The keys to the orange container can be located in the key safe attached to the outside door of the container.

The keys for the 9 v 9 goal padlocks are also on the container keys. The fold out goals need to be erected by using 1 back bar per goal and the back bar secured using the retaining clips. The goals then need to be anchored to the floor with the large 'U' shape stakes also located in the container.

At the end of the match, the goals need to be secured and locked up at BOTH ENDS to the fence and all other equipment needs to be secured back in the container. Please ensure all back bar clips are put back on the back bars and once all equipment is away and the container is locked, the keys must be returned to the key safe.

11 v 11 INTERMEDIATE PITCH (OLD REC – IE U 13 & U 14)

All match day equipment is held within the green container behind the scout hut and all managers currently using this pitch should have their own set of keys. As teams move off this pitch onto full size 11 v 11, keys need to be passed to the relevant managers moving onto the pitch the following season.

At the end of the match, the nets and all other equipment needs to be stored back in the container and the container secured and locked correctly.

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

11 v 11 REC PITCHES X 2

The river pitch (next to the pavilion) has fixed posts. The nets are stored in the Little Hands store as detailed above. The next 11 v 11 pitch uses the roll out goals contained within the small compound located in the corner of the rec. Respect lines, corner flags etc are stored in the Little Hands store.

At the end of the match, the nets and all other equipment needs to be stored back in the store. Once all equipment is away, the store must be locked, and the keys locked backed inside the key safe.

All key safe codes will be shared in the secure managers and coaches WhatsApp group or by contacting facilities@melbourndynamosfc.com.

Please dispose of all rubbish in a responsible manner.

SUMMER/WINTER TRAINING ARRANGEMENTS

Training slots will be allocated by the facilities officer and advised to teams at the start of the season, taking into consideration preference as much as possible.

During the summer months, all fields are available which leaves ample space for all teams to be able to train.

During the winter months (End October – End March), MDFC will utilise the astro turf located at the sports centre. As space and time slots are limited, there may need to be some adjustments required from teams in terms of training day/times.

Whilst on the astro turf, only astros or molded studs are permitted for both players and coaches/helpers.

Metal studs and trainers are prohibited at anytime; those not wearing the correct footwear should NOT enter onto the astro surface.

TRAINING EQUIPMENT

There is a range of training equipment stored in containers, which you are welcome to use. This equipment should be respected and treated as if it is your own and please put it back after use so that it is always available to others.

We understand that from time to time equipment will get damaged in use, if this does happen please report the damage to the club facilities manager and we can arrange to have the item repaired or replaced.

ALL team coaches should ensure that following equipment available during the delivery of all training session:

FA Approved First Aid Kit

Space Markers (minimum of 50 multi-coloured)

Appropriate size training bibs (minimum of 1 per player)

Appropriate size training balls

ALL team coaches should ensure that following equipment available on all match days:

FA Approved First Aid Kit

Appropriate size training bibs (minimum of 1 per substitute)

Appropriate size training balls

Appropriate size match ball (minimum of 2)

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

MATCHDAY MANAGEMENT

Fixtures secretaries will circulate matchday info document to opposing teams. See Appendix I. Any fixture issues must be noted a minimum of 7 days in advance to the fixture's secretary, any requested change after this date will incur a fine for the team imposed from the leagues. Any fines received by the club for late postponement or non-fulfillment of fixtures will be passed directly to the team for payment.

Whenever a match is played, the following arrangements must have been made prior to any activities starting. The club suggests that coaches request parents to support with matchday set up, but understand that checking used equipment has been returned and stored correctly remains the coaches responsibility.

- Goals are erected with properly fitting & secured nets
- Corner flags are in place with properly fitting & secured flags
- RESPECT barrier placed along one side of the pitch
- Team management areas allocated on the opposite side to the RESPECT barrier
- A referee is available for the game
- Qualified staff, first aid kit & match day equipment are at pitch side
- Match day delegate is identified
- All spectators to remain behind the RESPECT barrier at all times
- A suitable warm up should be delivered to every player.

INCIDENT PROCEDURES

Should any incidents take place during, before or directly after a match involving members of MDFC then these will need reporting immediately to the clubs child welfare officer and club secretary using the online form, [found here](#).

Should you have any safeguarding or child welfare concerns please do not delay- report them to the CWO or direct to the FA/league as per information above.

MATCH RESULT SUBMISSION

Login invites are sent out at the start of the season by the league therefore it is imperative you ensure the club has your up-to-date email address- check junk folders for league emails.

Match results should be text to the League within 4 hours of each match or sooner if requested by the league)

FA Full-Time statistics should be completed in full within 24 hours using either the website or the matchday

TEAM KIT

All new MDFC kit can be ordered via JoinIn:

Kit: Royal/Navy- Girls play in pink socks

CLUB WEBSITE & SOCIAL MEDIA

MDFC website is designed as a place to find useful information, promote sponsorship and sell merchandise. All the club's policies can be found on the website including the clubs social media policy. If you would like a copy please contact secretary.mdgc@gmail.com.

The club also runs Facebook and Instagram accounts that are used for external comms alongside the JoinIn system that is used to circulate comms. Club email addresses are also available as listed in this handbook to contact for specific queries.

All internal comms are run via Whatsapp groups and direct email where needed. Coaches will be expected to join the relevant whatsapp group to receive essential league and club comms.

All members are expected not to bring the club into disrepute via any social media channel; this includes whatsapp messages and groups.

The Committee will ask for any post/group with in-appropriate content to be removed/closed with immediate effect.

Melbourn Dynamos Football Club

Founded 2003

CAMBS FA CLUB OF THE YEAR 2021 and FA COMMUNITY HUB CLUB

Coaching Handbook – 2024/25 Season

All external comms will be disseminated by the comms officer.

We would also draw your attention to the fact that the FA and/or Club will use comments within personal accounts relating to football club business as part of an investigation into any dispute

CLUB BADGE

To protect integrity of the club all printed materials or clothing items that will include the club badge will need to be approved by the club Committee prior to being ordered/circulated.

USEFUL CONTACTS AND COMMUNICATION

The club predominantly uses WhatsApp as its main means of communicating with managers, fixtures secretaries and committee members. MDFC also recommends that teams set up their own team groups, as a way to communicate with parents of players.

If you are not part of a relevant group, please email the club secretary with your mobile number and the team you coach/your role in the club, and you will be added.
